

I am a 57 year old Female and my husband is 59. I started Dr. Earls Bio-identical Inserts on Sept 2014. Every 3 months I have recieved them and I only have stopped to just try the Hormone Creams, for which were not as effective as the Inserts.

A couple of years before I had finished Menopause I was having trouble reaching an Orgasm. ~~At~~ A lot of times I didn't want Him to touch me or even have sex at all. He was still going strong. It effected my Marriage in a Bad way and I would end up Crying because I wasn't feeling what he was. My relationship with him was not the same. My Husband didn't understand "why" and neither did I.

I began to read up on Hormone treatments. Bio-identical Hormones worked with my Body and with no Bad side Effects. My Husband and I talked and we decided to try it. We couldn't Believe the difference in how I felt and reacted to him. I began to feel like my old self again before Menopause. I felt Great

and my Husband liked the effects of what it did. I wanted him to touch me again and have sex. I began to have orgasms again and our relationship was renewed all over again. It was nice to be back the way we were.

In July of 2015, Dr. Earl told me about a procedure (ThermiVa) he could do that would rejuvenate and renew the feelings inside and outside of my vagina. The procedure would also tighten everything as well. Hard for me to believe at 57, time, age, gravity and having a couple of children. My Husband and I talked and we went for it.

It was 3 treatments done 1-month apart and no pain at all. What a difference it made for me as well as for Him. My feelings came back, even more. I used to call Him 'Quick Draw' but now I was there too. 😊

The combination of the Bio-identical Hormones and The ThermiVa Has been the Best thing for my Husband and me. It has given much pleasure and has deepened our relationship excitement

and Happiness in our relationship
that we thought was lost forever.

Dr. Earl and his staff really
do care about how his patients
are doing and how they feel.
My Husband says He will be a
Life-Long subscriber. For me
I'm very greatfull that Dr. Earl
Listened and gave me back my
Life, Marriage and Happiness.
